From the ring road (A4540) traffic island with PC world (A34) and Halden way / Alcester Road (A435) take the A34 Highgate Road

This takes you in the direction of the Stratford Road.

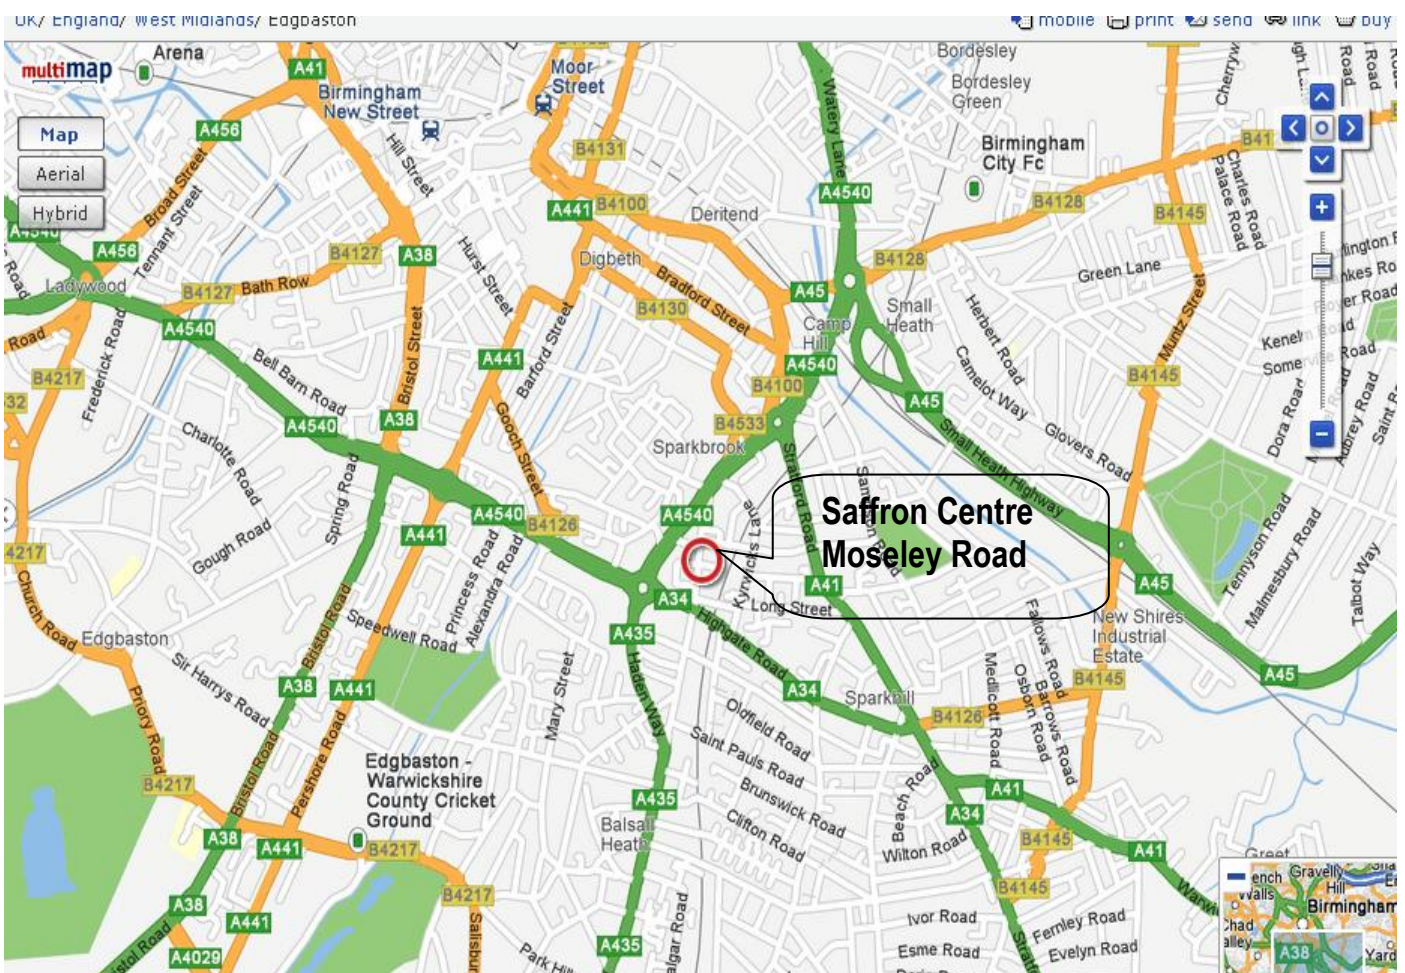

Almost immediately after turning off the island you will come to a traffic light controlled crossroads

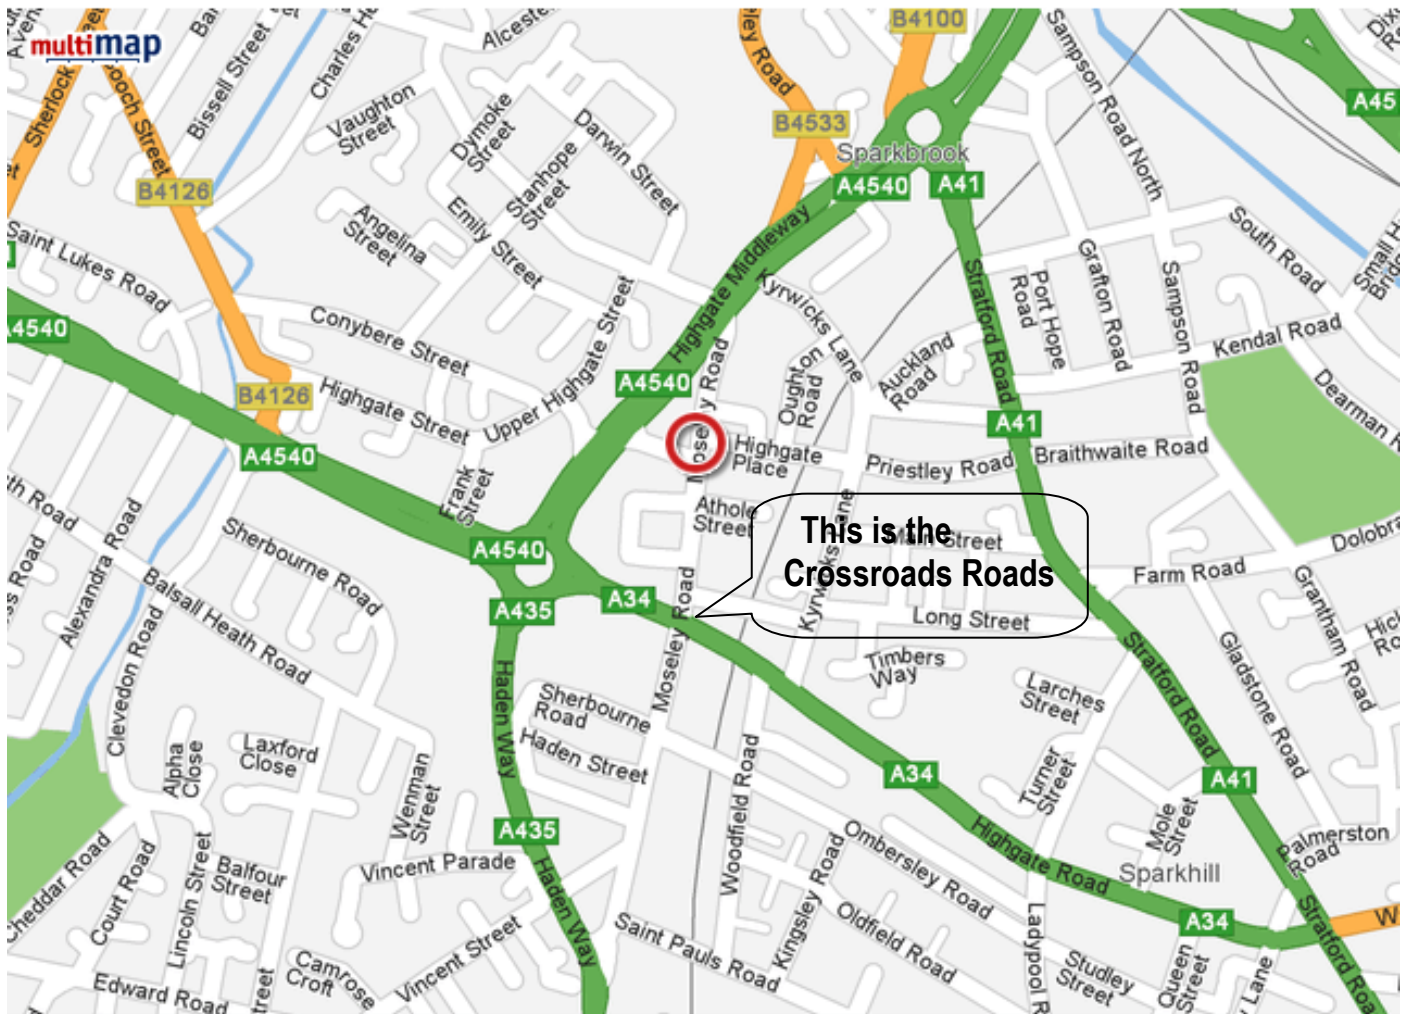

Take the left into "Moseley Road" this is sometimes known as the old Moseley Road as there are two in the area!

Continue along Moseley Road, passing the Fire Station on your left until you reach The Saffron Centre on your right hand side

It's a white building with a "Nursery" banner across it, and the building name in large blue letters. The car park is to the rear so...

Take a right turn into Highgate Place and the car park entrance is to your right.
